Presents

Paper Topology Zoom-Along

Thursday, Oct 22

3:30-4:20pm

Zoom: https://uidaho.zoom.us/j/6540773424

We can't all be in the same room, but we can still do math together. Join the UI Math Club for a couple mystifying topology experiments – play along at home! You will need paper, scissors, and tape, but no topology knowledge is required.
(And no, we're not just cutting a Möbius strip…).

All are invited to attend!
