Advanced Field Botany
*not your standard botany class*

This is your classroom

University of Idaho Field Campus
McCall, Idaho
June 15-27, 2018

BIOL 460/560
Upper division undergraduate/early career graduate students

Also open to professionals and non-UI students!

Learn plant ID and field collection skills
What the heck plants are those?

This is your instructor (with some sedge...)
Dave Tank
