A. The area of city impact shall be that real property designated as the area of city impact by the city and county of Jerome from time to time in accordance with the provisions of Idaho Code section 67-6526.

B. In case a property under single ownership is divided by the boundary line of the Jerome area of city impact, if such line divides such property so that one or both of the parts has a depth of three hundred feet (300') or less, such part may be included in the jurisdiction within which the remainder and larger portion of the property is located. (Ord. 1070, 2010)
