Notice of Academic Symposium and Call for Papers “Family and Technology: Challenges and Opportunities” May 27-29, 2019, at Faculty of Law, University of Maribor, Slovenia

The International Academy for the Study of the Jurisprudence of the Family (IASJF) is pleased to announce that it will hold its twelfth international symposium on the jurisprudence of the family on Monday and Tuesday, May 27-29, 2019, at the Faculty of Law, University of Maribor, in Slovenia. The symposium is on “Family and Technology: Challenges and Opportunities.” The symposium will address the issues related to the topic from a juridical point of view; interdisciplinary presentations are also welcome.

The IASJF is an independent, interdisciplinary scholarly society that seeks to promote thoughtful consideration and discussion of the foundations of the family, including marriage, parenting, extended and other family relations. The website is at <http://www.iasjf.org/>. The IASJF has previously hosted academic symposia in USA, Argentina, Israel, Spain, Malta, Qatar, Poland, Peru and Philippines, among others. The IASJF sponsors the International Journal of the Jurisprudence of the Family (IJJF), published in both print editions and in HeinOnline. Papers from prior symposia have been published in past volumes of the IJF; and selected submitted papers from the 2019 Symposium will be published in volume 10 of the IJF.

The Faculty of Law of the University of Maribor is located in Mladinska ulica 9, Maribor, Slovenia (<https://www.pf.um.si>).

Persons wishing to present a scholarly paper at the symposium should submit a short abstract of the paper they propose (no more than 200 words) including a working title, the identity, institutional affiliation and full contact information of the author(s), and a brief description of the proposed paper. Proposals should be sent to Professor Stefano Troiano (iasjf2019symposium@gmail.com) by April 30, 2019. Acceptances will be on a rolling-acceptance basis. All symposium participants must register (\$125 Academy Members, \$170 non-Members) and pay for their own transportation and hotel. Fee includes all symposium meals. An optional tour of the city of Maribor and its surroundings (not included in the fee) is scheduled for May 29, 2019. To take advantage of the cheapest fares, it is advisable to book airline connections as soon as possible. Online registration will be open from February 1, 2019.
